ONA T. WANG, United States Magistrate Judge:

The Court held a status conference on July 22, 2021 limited to ECF 260-1 and the impediments to production of the documents identified on ECF 260-1. (ECF 261). In ECF 260-1, Plaintiffs identify certain documents stored on an external database “to which Plaintiffs have temporarily lost access.” (ECF 260-1). For reasons stated on the record, it is hereby ordered that Plaintiffs shall immediately request from Legility, LLC (“Legility”)¹ (the document vendor storing these documents) that, notwithstanding any unpaid invoices or amounts claimed past due, Legility promptly (a) permit Plaintiffs to access those documents identified in ECF 260-1; and (b) facilitate and assist in the production of those documents identified on ECF 260-1.

¹ Plaintiff informed the Court that it lacks jurisdiction over Legility. See Transcript of July 22, 2021 Hearing at 12:23-13.

Plaintiff shall advise Legility that this Court believes that the prompt production of the documents is important to the resolution of this action, and this Court would be very appreciative of Legility's positive reaction to this directive.

SO ORDERED.
